## PREPARING THE FUTURE WORKFORCE

Your business could benefit from supporting a young person through a traineeship

### What is a Traineeship

A traineeship is a skills development programme that includes a work placement. It can last from 6 weeks up to 12 weeks.

Traineeships help 16 to 24-year-olds - or 25 year old's with an education, health and care (EHC) plan - get ready for an apprenticeship, job if they don't have the appropriate skills or experience or their next steps.

#### Who can apply?

Anyone who is:

- eligible to work in England
- with little or no work experience but motivated to work
- aged 16 to 24 but not 24
  - or 25 with an EHC plan - and qualified up to level 3

### Benefits of Traineeships

*The benefits of traineeships include:*

- The costs are covered by the government
- A £1,000 incentive payment for employers per trainee
- They are flexible to suit your needs and can be sector focused
- Gives current employees the chance to gain skills in training
